

2011/12 SEASON SNAPSHOT

FOX CITIES PERFORMING ARTS CENTER ANNUAL REPORT

YEAR END COMMENTARY

Dear Friends,

The 2011/12 Season was a remarkable year at the Fox Cities Performing Arts Center, and we are so honored that you were a part of our success. We experienced a tremendous year with our programming and observed a surge in enthusiasm for the performing arts in our community.

One accomplishment we are especially proud of was our selection to participate in the prestigious Kennedy Center Partners in Education Program. Building a new partnership with the Appleton Area School District, the Center became one of only 100 such partnerships nationwide selected to create professional development opportunities for educators. Expect to hear more about the impact of Classroom Connections in the years to come!

As you review last season's many highlights, we hope you share a sense of pride in all the moments you helped create. Your support, your enthusiasm and your investment make the Fox Cities Performing Arts Center –

Where the Arts Come Alive!

Warmest regards,

Susan Stockton
President

John J. Hogerty, II
Chairman of the Board

OUR MISSION

The mission of the Fox Cities Performing Arts Center is to serve as a gathering place for the community to engage in educational opportunities and enhance understanding and enjoyment of life through the creation and presentation of the arts.
